The chart displays cumulative sales data across various price ranges (X-axis) for the years 2023 and 2025. The Y-axis represents sales volume, ranging from 0 to 1,000,000. The data is presented in two main sections: the first section covers price ranges from 1.00 to 1.15, and the second section covers price ranges from 1.15 to 1.25. The 2025 data (purple lines) shows a significant increase in sales volume compared to the 2023 data (orange lines) across all price ranges. The 2025 data is consistently higher than the 2023 data, indicating a strong growth in sales for the 2025 event.
